

THE MIAMI YACHT CLUB IS MIAMI!

When originally founded as the Southern Florida Boat Racing Association, in 1927, the focus was primarily on sailing and racing; This tradition has remained. Several years later, the Association became the Miami Yacht Club and relocated to Watson Island between the City of Miami and Miami Beach. Hosting spectacular views from the Venetian Causeway to Dodge Island (the Port of Miami) , a private beach, a pool and a mooring field just off our eastern shores, we can truly say we're a bit of the Keys nestled in the bustling center of Miami.

For over 80 years we have worked actively with our community to foster an appreciation of the beautiful waters of Miami. Our sailors have represented the Miami Yacht Club all over the world; from youth sailing events to the Olympics. Through the efforts of our internationally recognized coaches, dedicated sailors and MYC families, we are truly the "Home of Sailing Champions!"

We are members of the BBYRA, the FSA, the USSA, and the YCA. We teach students of all ages to sail through our non-profit the MYC Youth Sailing Foundation. These classes and races are open to the public.

We provide a meeting space to many local, national and international organizations including the Emerald Society, the United States Coast Guard Auxiliary, the Multihull Association of South Florida, and many more. We also host the City of Miami Marine Patrol and Underwater Recovery Unit. We welcome new members who share an interest in boating, sailing and angling. Our club offers year-round activities from our famous Miami to Key Largo Race to other sailing and water events and classes. Our social calendar offers lively activities for all ages. Our burgee is recognized around the world and allows our members reciprocity privileges in many other yacht clubs.

COMMITTEES

We encourage our members to participate in some of the following committees that form the core of our activities. Please choose which one(s) you may be interested in participating in.
